NENÚFAR PRE-SET 9

Instrucciones de montaje / Assembly Instructions

marset

Warning!
Disconnect power supply before installation.

Atención!
Desconectar la conexión a red antes de ser manipulada.

1. Fix the main support (A) to the ceiling using the plugs and screws provided, being sure that the hole of the main support is centered with the outlet box. Attach the electrical union (B) with the nuts (C).

2. Position and install the plate (D) using the screws (E) supplied, as shown in Figs. 2.1 and 2.2. Insert the ground wire into the connector (F).

3. Install the smaller supports (G) and attach each Nenúfar (See the Nenúfar Installation Instructions). Make sure that all the Nenúfar electrical cables are secured as shown in Fig. 3.

4. Make the electrical connections to the main supply. Connect the wiring for each Nenúfar to the multi-socket adaptor (I): Attach the red (or blue) wire to the positive (+ / Red) terminal and the black (or brown) wire to the negative (- / Black) terminal.

5. Attach the cover (J) by means of the screws and washers (K) provided.
