

Jaima

Joan Gaspar

marset

Through the language of textiles, Joan Gaspar has designed a light of flexible, ductile materials that sifts the light as readily as it moves with the wind. In the Jaima collection, the light is the shade and weaver of emotions. This new

collection takes its name from the Bedouin tents of North Africa, and is inspired by their varied fabrics and forms. The textile shade is available in three sizes and four different colors, with a blank interior to optimize the quality of the light.

Jaima 43 IP65

Code	Finish	Electrical
A683-059	● Beige	Electrical Rating: LED COB 120VAC 15W
A683-060	● Grey	Luminaire: 528lm
		CCT: 2700K
		CRI: 90

Dimmable: Yes
 Integrated dimmer: No
 Dimming protocols: Phase cut (ELV)

Materials
 Shade: Textilene, inner part in white

Suitable for wet locations

LED included

Jaima 54 IP65
