

Plaff-on!

Joan Gaspar

marset

A design that combines simplicity and functionality and which in this new pendant version comes with a garland accessory allowing different lamps to be

joined to a single point of light. Finally, a neoprene cable ensures waterproofing with no deterioration. The new Plaff-on! projects the light directly downwards.

Plaff-on! A IP65

Code	Finish	Dimming	Electrical
A628-161	● Black (RAL 9005)	ELV	ELV
A628-082-31-27K	● Rust Brown	ELV	Electrical Rating: 120VAC 50-60Hz 8.7W
