

Scantling

Mathias Hahn

marset

Wood and metal combine in a design that utilizes the beauty and simplicity of basic geometric shapes. The Scantling is based on a highly functional and flexible system, in which all the movements of the fully rotational shade use ball

joints and arms to create a versatile, easy-to-move light. In addition, its technical precision requires no exposed springs or counterweights to stay in the specified position.

Scantling P73

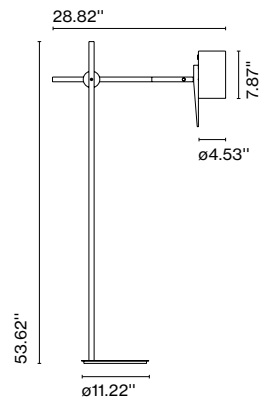

Code
A626-009

Finish
● White (RAL 9001)

Socket: E26
Suggested lamping: LED TYPE A, 11W max
Lamping not included

Dimmable: No

Materials
Stem: Iron
Base: Iron
Arm: Oak
Shade: Aluminum
