

# Scantling

## Mathias Hahn

**marset**

Wood and metal combine in a design that utilizes the beauty and simplicity of basic geometric shapes. The Scantling is based on a highly functional and flexible system, in which all the movements of the fully rotational shade use ball

joints and arms to create a versatile, easy-to-move light. In addition, its technical precision requires no exposed springs or counterweights to stay in the specified position.

**Scantling A**

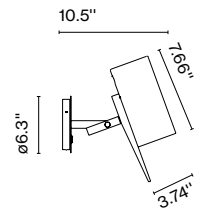

Code  
A626-015

Finish  
● White (RAL 9001)

Socket: E26  
Suggested lamping: LED TYPE A, 11W max  
Lamping not included

Dimmable: No

Materials  
Base: Iron  
Arm: Oak  
Shade: Aluminum
