**A NIP OF CRANBERRY**  
Thanksgiving's tart favorite can star in a pre-dinner drink, too. Clear Creek Distillery's Cranberry Liqueur captures the berry's essence — try it as a sub for cassis or in a bourbon cocktail. \$30, [kiwines.com](http://kiwines.com)

**THE FIRST FIRE**  
Infuse your space with the scent of a hearth, even if there's no fireplace. Chicago candlemaker Tatine hits smoky notes in its Woodsmoke and St. John's Wood scents. \$18 - \$42, Jayson Home, Chicago; [jaysonhome.com](http://jaysonhome.com)
