Tomorrow's Classic:
Masters Chair
by Philippe Starck
and Eugeni Quitlet
for Kartell (2010)

"The Masters is a design chair with an incredibly good retail price. We're selling more than 10,000 pieces a month—a bestseller already!"

—Claudio Luti, Kartell

Outdoor Icon:
Aluminum Group
by Charles and Ray Eames (1957)

"The Aluminum Group was far ahead of its time when it was created. New technologies have enabled Herman Miller to finally realize the group the way Charles and Ray Eames intended it."

—Ben Watson, Herman Miller
