Siso from **Estiluz** boasts a shade made of decorative aluminum rings with a satin glass interior. Designed by Estudi Ribaudi, the pendant is available in Chrome, Black Pearl, and White lacquered finishes. ESTILUZ.COM

7

The Aki light by Studio Dreimann for **Leucos USA** brand **ITRE** is an open structure made of milled wood with six built-in LED strips. It's also available in a white or gray enameled finish. LEUCOSUSA.COM

8

Funiculi from **Marset** is a new edition of a freestanding floor lamp originally imagined in 1979 by Lluís Porqueras. Available in a range of colors and finishes, its curved stem and clips allow the light to be raised and lowered. MARSET.COM

9

Lusive debuts **DUCELLO**, the first collection from its new **LUXE** by Lusive line. **DUCELLO** features individually handblown crystal globes with diamond honed facets, available in three standard sizes, five colors, and six metal finishes. LUXEBYLUSIVE.COM

10

Celadon Group is the exclusive importer of Danish light fixture **Radius**, designed by Esko Schmidt-Sorensen. This futuristic statement light is made of lightweight aircraft-grade aluminum and characterized by five radial bands illuminating LED light inwards. CELADONGROUPNY.COM
